

A Comprehensive List of Cable Tray Brands in Central Asia

Overview

Since 1982, VALDINOX has been designing and manufacturing wire mesh cable trays, supports, and easy-installation accessories.

Key Takeaways

Central Asia can access a wide range of high-quality cable tray brands from Asia, including Atkore, ApexTray, Snake Tray, JP Shine, and PT Trias Indra Saputra, offering ladder, perforated, wire mesh, and customized solutions. Key Cable Tray Brands Accessible in Central Asia

1. Atkore International – A global leader in cable management systems, Atkore offers a broad portfolio including ladder, perforated, and wire mesh trays, with UL and NEMA certifications suitable for industrial and commercial projects . 2. ApexTray (Apex Cable Tray Systems Co., Ltd.) – Specializes in easy-to-install, high-quality trays for challenging environments, adhering to ISO 9001 and UL standards, ideal for telecommunications and construction projects . 3. Snake Tray – Offers aluminum and steel cable trays, modular systems, and hand-bendable trays for data centers, solar installations, and transit projects, emphasizing innovative cable management solutions . 4. JP Shine Electrical & Controls Pvt Ltd – Provides perforated, ladder, and wire mesh trays, with customized solutions for diverse project requirements, ensuring durability and compliance with international standards . 5. PT Trias Indra Saputra – Indonesian manufacturer specializing in reliable cable tray systems for indoor and outdoor applications, including heavy-duty and corrosion-resistant designs . 6. Chalfant Manufacturing – Offers innovative self-connecting trays and walkable ladder systems, with over 70 years of experience in tailored cable management solutions . 7. Sunil Engineering Corporation – Produces perforated and ladder trays, accessories, and junction boxes, focusing on high-quality fabrication and customized solutions . 8. ELCON CABLE TRAYS PVT. LTD. – Manufactures wire mesh, ladder, and perforated trays, along with accessories, emphasizing export-quality products . 9. Powerwell Indonesia – Provides customizable trays with a focus on ease of installation, compliant with ISO and CE standards . 10. Wuxi City Qiaobang Storage Equipment Co., Ltd. – Offers high-strength, customizable trays suitable for complex installations .

Types of Cable Trays Offered

- Ladder Trays – Heavy-duty support for large cable volumes, widely used in industrial and energy sectors .
- Perforated Trays – Allow ventilation and heat dissipation, suitable for IT and telecom applications .
- Wire Mesh Trays – Lightweight, flexible, and ideal for data centers and telecom networks .
- Customized Solutions – Tailored designs to meet specific project requirements, including corrosion-resistant and climate-resilient options .

Considerations for Central Asia

- Many Asian manufacturers, particularly from China, Indonesia, and Malaysia, export to Central Asia, providing competitive pricing and compliance with international standards .
- Brands like Atkore, ApexTray, and Snake Tray are well-suited for harsh climates and industrial applications common in Central Asian infrastructure projects .

- Selecting a supplier with ISO, UL, or CE certifications ensures quality, durability, and regulatory compliance for large-scale installations . This list provides a solid starting point for sourcing cable trays in Central Asia, covering both global and regional manufacturers with diverse product offerings suitable for industrial, commercial, and infrastructure projects.
