

## African Bimetallic Coated Cable Tray Manufacturer

### Overview

Cable Tray Manufacturer| Cable Ladder, Wire Mesh Cable Tray, Hutaib electrical is a quality cable tray manufacturer, wholesaler, supplier all over Africa.

### Key Takeaways

Hutaib Electricals, Ned-Tech, and Brilltech Engineers are leading manufacturers and suppliers of bimetallic coated cable trays across Africa. Key Manufacturers and Suppliers

Hutaib Electricals Based in South Africa, Hutaib Electricals specializes in a wide range of cable trays including ladder, perforated, basket, and box types. They offer bimetallic finishes such as GI hot-dip, pre-galvanized, powder-coated, and stainless steel (SS 202/304/316). Accessories like bends, elbows, tees, and reducers are also available. Hutaib provides custom fabrication and ensures compliance with industrial standards, making them a reliable choice for large-scale projects across Africa . Ned-Tech Operating from Nigeria with distribution networks across West and Central Africa, Ned-Tech supplies perforated, ladder, and solid-bottom cable trays made from galvanized steel, stainless steel, and aluminum. They focus on durability, corrosion resistance, and fast delivery, serving sectors such as construction, telecommunications, energy, and industrial facilities. Ned-Tech also provides technical support for installation and system design . Brilltech Engineers Located in South Africa, Brilltech Engineers manufactures cable trays in galvanized steel, stainless steel, and fiberglass, offering perforated and ladder tray designs. Their products enhance airflow, prevent overheating, and comply with safety and regulatory standards. They provide installation support and project consultation for industrial, commercial, and residential applications .

#### Other Notable Manufacturers

- Legrand (South Africa): Offers cable trays, raceways, and wiring accessories for industrial, commercial, and residential sectors .
- El Sewedy Electric (Egypt): Supplies cable trays and electrical enclosures across Africa and the Middle East .
- Instelec Services and JDLElectric: Provide cable management solutions for construction, energy, and telecom projects .

#### Product Features and Finishes

- Materials: Galvanized steel, stainless steel, aluminum, powder-coated finishes.
- Tray Types: Ladder, perforated, basket, solid-bottom, and box trays.
- Accessories: Bends, elbows, tees, reducers, covers, and clamps.
- Standards: ISO-certified, compliant with industrial and regional standards.
- Applications: Industrial plants, data centers, hospitals, telecom towers, commercial buildings, and energy projects. These manufacturers provide customizable bimetallic coated cable trays suitable for harsh African climates, ensuring durability, corrosion resistance, and compliance with safety standards. For large-scale or specialized projects, contacting these suppliers directly can provide tailored solutions and technical support.
