

Complete List of Molded Cable Tray Manufacturers

Overview

Top Cable Tray Manufacturers in United States Identify and compare relevant B2B manufacturers, suppliers and retailers. Max. Atkore is a global manufacture.

Key Takeaways

Several global manufacturers produce molded cable trays, including Atkore, ELCON, Electromac, and Globe Electrical Industries, specializing in FRP and custom molded solutions. Leading Manufacturers

Atkore International is a prominent global manufacturer offering a wide range of cable tray systems, including molded and fiberglass-reinforced options suitable for industrial and construction projects . ELCON CABLE TRAYS PVT. LTD. specializes in various types of cable trays, including FRP molded trays, wire mesh, ladder, and perforated types, along with accessories for easy installation . Electromac Trefoil Clamp produces steel and FRP cable trays, including molded and perforated designs, catering to industrial and commercial applications . Globe Electrical Industries offers a complete range of metallic and FRP cable tray systems, including molded trays, ladder trays, and perforated trays, with fittings and accessories for comprehensive cable management . MDM Engineering & Technologies and Roy Engineering Works also manufacture molded and FRP cable trays, providing solutions for heavy-duty and specialized installations . Snake Tray focuses on innovative molded cable tray solutions, including aluminum and steel options, suitable for data centers, solar installations, and transit systems .

Additional Considerations

Molded cable trays, often made from fiberglass reinforced plastic (FRP), are valued for their corrosion resistance, lightweight design, and electrical insulation properties, making them ideal for harsh environments or chemical plants. Many of these manufacturers offer customized solutions to meet specific project requirements, including size, load capacity, and environmental resistance . When selecting a manufacturer, consider regional expertise, compliance with standards (such as IEC or ISO), and the availability of accessories and fittings to ensure a complete cable management system . These manufacturers provide both standard and custom molded cable trays, supporting applications across construction, energy, telecommunications, and industrial sectors.
