

How much is a 1u cable management rack

Overview

Explore a wide range of our 1U Cable Management selection. Find top brands, exclusive offers, and unbeatable prices on eBay.

Key Takeaways

The cost of a 1U cable management rack typically ranges from \$21.10 for a Zero U design to around \$38.10 for a conventional 1U horizontal cable manager, with total cost per U averaging \$84.73 when including rack space. Step 1: Determine the Type of Cable Management

- Conventional 1U Horizontal Cable Manager: Uses one rack unit of space and costs approximately \$38.10 per unit .
- Zero U Cable Management Shelf: Does not consume additional rack space and costs about \$21.10, often including accessories like velcro cable straps .

Step 2: Include Rack Space Cost (if applicable)

If the cable manager occupies rack space, you should factor in the cost of the 1U space in your server cabinet:

- Average cost per 1U in a 45U server cabinet: \$55.17
- Average cost per 1U in a 44U four-post rack: \$31.77
- Overall average cost per 1U: \$46.63

Step 3: Calculate Total Cost

For a conventional 1U cable manager:

- Cable manager cost: \$38.10
- Rack space cost: \$46.63
- Total cost per U: \$84.73 For a Zero U cable manager:
- Cable manager cost: \$21.10
- Rack space cost: \$0 (does not occupy U space)
- Total cost per U: \$21.10

Step 4: Consider Additional Factors

- Accessories: Some units include velcro straps, D-rings, or covers, which may affect pricing .
- Brand and material: Prices vary depending on manufacturer and build quality.
- Quantity: Bulk purchases may reduce per-unit cost.
- Installation: If professional installation is required, include labor costs.

Step 5: Optional Online Price Check

Retailers like Amazon and Newegg provide current pricing for 1U horizontal cable management units, which can help refine your cost estimate . By following these steps, you can calculate the total cost of a 1U cable management rack accurately, whether you choose a conventional or Zero U design.
