

Huijue Fiber Optic Switch Power Supply

Overview

HJDUM01 series wall-mounted communication switching power supply system, supplied by Huijue, features wide-range AC input of 90Vac~300Vac, 96% conversion efficiency, intelligent battery management, and RS485/TCP-IP monitoring with IP31 protection. It is designed for indoor and outdoor communication. Discover the HJDUM03 Series Embedded Communication Switching Power Supply System, designed for communication applications., Ltd (HJ Network for short) is the leading manufacturer and solution provider for telecom and communication products. Integrating intelligent temperature control, power supply, lithium battery and AI technology Huijue Net cabinet adopts modular design, simple installation, easy expansion, rich accessories, and meets the. The HJ048 outdoor integrated DC power supply features IP65 protection, ideal for powering network access devices.
