Key Takeaways

Trough cable trays in Ireland are available from multiple suppliers, with prices varying by size, material, and compliance standards. Overview of Trough Cable Trays

Trough cable trays are a type of cable management system with a rectangular or U-shaped cross-section, designed to support and organize electrical cables in commercial, industrial, and residential settings. They provide cable protection, easy access for maintenance, and improved airflow, which helps prevent overheating of electrical systems. Materials commonly used include steel and aluminum, and trays may be open or partially covered depending on the application.

Suppliers in Ireland

Several Irish suppliers offer trough cable trays:

- Electrical Wholesaler Ireland: Offers a range of durable cable trays suitable for domestic and industrial use, with competitive pricing and fast delivery.
- RS Components Ireland: Provides trough cable trays along with other cable management solutions, emphasizing easy installation and cable protection.
- Dwyers Electrical: Offers online purchasing with a lowest price promise, including collection options in-store.

- National Electrical Wholesalers (NEW): Established supplier with nationwide branches, providing expert advice and a variety of cable trays .
- Mainscourt Electrical Suppliers (Dublin): Offers 6" flanged cable trays, also available in 2", 4", and 8" sizes, compliant with BS 61537:2007 and tested to BS EN 61537 standards. Delivery is available in the Dublin area .

Factors Affecting Price

The cost of trough cable trays in Ireland depends on several factors:

- Size and width: Larger trays or wider flanges generally cost more.
- Material: Steel trays are typically more expensive than aluminum or wire mesh alternatives.
- Compliance and testing: Trays conforming to BS 61537 or other standards may carry a premium.
- Delivery and location: Some suppliers, like Mainscourt, offer local delivery only, which can affect total cost.

Recommendation

For accurate pricing, it is recommended to contact suppliers directly with your required tray dimensions, material preference, and quantity. Many suppliers provide quotes or online ordering options, which ensures you get the most up-to-date pricing and availability.
