

Kuwait Cable Tray Manufacturer Factory

Overview

Bahman GroupSpanning more than six decades, the Bahman Group of Companies stands tall as one of the pioneers in the Kuwait market in the Cable Tray System.

Key Takeaways

Kuwait hosts several leading cable tray manufacturers and suppliers, including Alnafaa Group, Bahman Group, EBOMAC, Almeer Industries, and SV Composites, offering FRP, GRP, and metal cable trays for industrial and commercial projects.Key Manufacturers and Suppliers

1. Alnafaa Group Alnafaa Group specializes in FRP and GRP cable trays, manufactured from glass-armoured thermoset fire-resistant resins. They provide a wide range of cable trays, ducts, covers, and fittings including bends, tees, reducers, and inspection hatches. Their products are lightweight, weather-resistant, and chemical-resistant, suitable for both small and large-scale projects. Alnafaa also offers custom sizes and support systems in GRP, FRP, and metal materials, adhering to international standards like NEMA FG-1 and UL 94 flame retardant specifications (Alnafaa Group) .
2. Bahman Group Located in Shuwaikh Industrial Area, Bahman Group is one of Kuwait's largest GI metal cable tray manufacturers. They produce cable trays, ladders, trunking, and enclosures for local projects, infrastructure, and government installations. Their products are widely used in Ministry projects, hospitals, and Kuwait University. The company emphasizes cost-effective, high-quality solutions with decades of experience in the local market (Bahman Group) .
3. EBOMAC EBOMAC provides design, manufacture, and supply of medium and low voltage switchgear along with cable trays, ladders, and trunking systems. They focus on customized solutions, ensuring compliance with international standards and offering testing certificates from independent laboratories. EBOMAC also provides installation and maintenance services, making them a full-service supplier for electrical and cable management systems in Kuwait (EBOMAC) .
4. Almeer Industries Almeer Industries manufactures high-quality cable tray systems for commercial and industrial construction. Their trays support insulated electrical cables for power distribution and communication, offering flexibility for future wiring changes. They are recognized for continuous investment in technology and infrastructure to maintain product quality (Almeer Industries) .
5. SV Composites SV Composites specializes in FRP cable trays with high load-carrying capacity, fire resistance, and corrosion resistance. They offer ladder-type trays, trays with covers, and custom configurations for industrial, coastal, and high-temperature environments. SV Composites provides technical support and personalized solutions for infrastructure projects, ensuring compliance with safety and durability standards (SV Composites) .

Summary

Kuwait's cable tray market includes both metal and composite (FRP/GRP) solutions, catering to industrial, commercial, and infrastructure projects. Companies like Alnafaa Group and SV Composites focus on FRP/GRP trays with chemical and fire resistance, while Bahman Group and Almeer Industries provide metal trays and ladders for large-scale installations. EBOMAC offers integrated solutions including switchgear and cable management systems with testing and maintenance support. These suppliers provide a range of customizable sizes, fittings, and support systems to meet diverse project requirements.
