

North Macedonia Cable Management Rack Brands

Overview

Racks and Enclosures Twice the dynamic strength, built in PDU, cable management, and whisper-quiet fans makes it easy to deploy and perfect for denser Cabl.

Key Takeaways

Schneider Electric Macedonia is a leading provider of cable management racks and enclosures in North Macedonia, complemented by international suppliers like Eurotray and Niedax with local distribution. Local Manufacturers and Suppliers

Schneider Electric Macedonia offers a wide range of IT and electrical enclosures, server racks, and cable management accessories suitable for data centers, server rooms, and industrial applications. Their products include open and enclosed racks, cable managers, PDU mounting brackets, fan trays, and accessories designed to optimize airflow and organize power or data cables within racks. They also provide solutions for high-density AI workloads and micro data centers. Eurotray specializes in steel cable trays and modular cable management systems. While headquartered in Turkey, Eurotray supplies high-quality cable management solutions to North Macedonia, including cable ladders, trays, and underfloor trunking systems suitable for industrial and commercial installations. Niedax Group offers steel, aluminum, PVC, and GRP cable management systems with a full range of accessories. They provide solutions for ceilings, walls, and floors, and support planning, installation, and assembly services. Their products are designed for large-scale industrial and energy projects, ensuring compliance with high-quality standards.

Product Types

- Cable Trays and Ladders: Galvanized steel, acid-proof steel, and aluminum options for high load capacities and wide spans .
- Wire Mesh Trays: Flexible solutions for routing and supporting cables in industrial and commercial environments .
- Enclosures and Racks: Steel and insulating enclosures for IT, electrical, and industrial applications, including seismic, ATEX, and EMC-compliant models .
- Accessories: Cable managers, blanking panels, PDU brackets, fan trays, and mounting hardware to optimize cable organization and airflow .

Applications

These cable management solutions are suitable for:

- Data centers and server rooms
- Industrial automation and control panels
- Commercial buildings and office networks
- High-density AI and edge computing environments
- Outdoor and harsh industrial conditions requiring corrosion-resistant materials For procurement in North Macedonia, Schneider Electric Macedonia is the primary local manufacturer and distributor, while Eurotray and Niedax Group provide additional high-quality solutions with regional availability.
