

North Macedonia sells optical fiber cables

Overview

North Macedonia: Optical Fibre Cables Market ReportThe report provides a strategic analysis of the optical fiber cables market in North Macedonia and descr.

Key Takeaways

Key optical fiber cable manufacturers in North Macedonia include FIBERNET M-K, TELEKS, and Elkom-NET, offering production, distribution, and turnkey fiber optic solutions.FIBERNET M-K

FIBERNET M-K is a leading manufacturer of optical fiber cables in North Macedonia, producing cables of any length, fiber count, and connector type according to customer specifications under a license from the Swiss brand HUBER+SUHNER . They specialize in innovative optical infrastructures for data centers and local networks, and their services include design, installation, and maintenance. FIBERNET M-K also imports and distributes products from brands like R&M, ETK KABLO, and HELLERMANN TYTON .

TELEKS

TELEKS is a prominent provider of fiber optic solutions and telecommunication infrastructure in North Macedonia . While primarily a service provider, TELEKS manages an extensive high-capacity fiber-optic network and offers turnkey solutions including project design, implementation, testing, and 24/7 maintenance . They have completed over 400 infrastructure projects spanning more than 3,500 km, supporting architectures such as FTTx, long-haul, metro, and GPON . TELEKS is ISO 9001:2008 certified and focuses on scalable, cost-effective fiber infrastructure for carriers and large enterprises .

Elkom-NET

Elkom-NET is a 20+ year experienced company specializing in fiber-related technology and project management . They provide end-to-end solutions from design and planning to implementation and risk management, following PRINCE2 methodology. Elkom-NET collaborates with major telecom operators in the region, including Deutsche Telekom and Vodafone, and supports FTTH (Fiber to the Home) projects .

Market Overview

The optical fiber cable market in North Macedonia is growing, driven by increasing demand for high-speed data transmission and broadband connectivity . Local manufacturers like FIBERNET M-K and service providers like TELEKS and Elkom-NET play a key role in supplying both domestic and regional markets. The competitive landscape includes both production and distribution capabilities, with companies offering customized solutions and turnkey project services .

Contact and Procurement

For inquiries or procurement, potential buyers can reach out directly to the companies via their websites:

- FIBERNET M-K: fibernet.mk
- TELEKS: teleks.mk
- Elkom-NET: elkomnet.com These companies provide both manufacturing and project implementation services, making them suitable partners for businesses seeking optical fiber cables or infrastructure solutions in North Macedonia.
