

Price Inquiry for Electrical Distribution Boxes in Serbia

Overview

Serbia distribution boxes tenders and BidsFind business opportunities for Serbia distribution box tenders. GlobalTenders, one of the largest and most trust.

Key Takeaways

Electrical distribution boxes in Serbia typically range from €25 to €200 depending on type, size, and specifications. Overview of Prices

- Small low-voltage distribution boxes (e.g., 4-way, IP66 waterproof, suitable for indoor/outdoor use) are available for around €25–€50 per unit, such as the 4-way IP66 transparent cover circuit breaker box sold online in Serbia .
- Medium-sized panels and control cabinets for industrial or commercial use can range from €100 to €200, depending on the number of ways, material quality, and additional features like DIN rail compatibility or monitoring capabilities .
- High-end or custom-made distribution panels for HV/MV substations or specialized industrial applications can exceed €200, often supplied by companies like ALBO Energy, Mins Elektro, or ITEN Engineering, which provide design, assembly, and commissioning services .

Key Suppliers in Serbia

- ALBO Energy: Specializes in HV/MV substations and power plants, offering custom distribution solutions .

- Mins Elektro: Produces low-voltage panels for power distribution, protection, and control cabinets .
- Log Design Ltd: Focuses on low-voltage switchgear, Motor Control Centres (MCC), and Power Control Centres (PCC), .
- Ubuy Serbia: Offers ready-made distribution boxes for residential and small commercial use, including IP66 waterproof models .
- CIP d.o.o. and MAK Trade Group: Provide a variety of distribution boxes and electrical accessories for industrial and commercial applications .

Considerations for Purchase

- IP Rating: For outdoor use, choose boxes with IP66 or higher for water and dust protection .
- Material: ABS and PC materials are common for durability and long-term use .
- Installation: Many boxes support DIN rail mounting for easy installation and maintenance .
- Local vs Imported: Imported boxes may require voltage converters or adapters, and warranty/service options may vary . In summary, for residential or small commercial applications, expect to pay €25–€50 for a standard 4-way distribution box, while industrial or custom panels can cost €100–€200 or more, depending on specifications and supplier services .
