

Price of industrial cable trays in Portugal

Overview

This report analyzes the Portuguese plastic cable trays and ducts market and its size, structure, production, prices, and trade.

Key Takeaways

Industrial cable trays in Portugal typically range from €20 to €150 per meter, depending on material, type, and load capacity. Price Overview

The cost of industrial cable trays in Portugal varies significantly based on material, design, and application. Common types include ladder-type, solid-bottom, and wire-mesh trays, fabricated from steel, aluminum, stainless steel, or plastic. Steel and stainless steel trays are generally more expensive due to higher load capacity and corrosion resistance, while plastic trays are more affordable but suited for lighter applications .

- Wire-mesh trays: €20–€50 per meter, ideal for flexible routing and ventilation .
- Ladder-type steel trays: €50–€120 per meter, suitable for heavy-duty industrial installations .
- Solid-bottom trays: €60–€150 per meter, used where full cable protection is required .

- Plastic cable trays: €20–€60 per meter, commonly used in light industrial or indoor applications .

Factors Affecting Price

- Material: Stainless steel and aluminum are more expensive than galvanized steel or plastic due to durability and corrosion resistance .
- Load capacity: Trays designed to carry heavier cables or multiple layers cost more.
- Accessories: Covers, connectors, supports, and joints add to the total cost of installation .
- Supplier and brand: International suppliers may charge higher prices for specialized or certified products, while domestic fabricators may offer competitive rates .
- Installation complexity: Custom sizes or complex routing can increase overall project costs.

Suppliers in Portugal

- GroupSumi: Offers a wide range of industrial and outdoor cable trays with accessories for secure installation .
- Jeetmull Jaichandlall (P) Ltd.: Provides customized wire-mesh and metal cable trays for industrial applications .
- Europages B2B marketplace: Lists multiple Portuguese suppliers for bulk or specialized orders .

Market Context

The Portuguese cable tray market is influenced by industrial automation, renewable energy projects, and data center construction, which drive demand for high-quality, durable cable management systems . Prices are also affected by raw material cost fluctuations and compliance with safety and fire standards. For large-scale industrial projects, it is common to negotiate bulk pricing directly with suppliers. In summary, while prices range from €20 to €150 per meter, the final cost depends on material, design, load requirements, and supplier selection, with additional costs for accessories and installation.
