

## Ranking of Optical Cable Fittings and Steel Strand Manufacturers

### Overview

Ranking of Steel Strand Manufacturers for Optical Cables Find and discover international steel strand manufacturers & suppliers, featuring details on their.

### Key Takeaways

Top optical connector manufacturers in 2026 are Bel, JT, INC., and Fibertronics, while leading fiber optic cable manufacturers include Prysmian, Corning, and Fujikura. Optical Connector Manufacturers

The top-ranked optical connector companies as of June 2026 are:

- Bel – Known for high-quality optical connectors and versatile fiber solutions .
- JT, INC. – Offers a wide range of optical connectivity products for telecom and industrial applications .
- Fibertronics – Specializes in fiber optic components and assemblies with strong global distribution . Other notable manufacturers include IPG Photonics Corp., Molex, L-com, Panasonic Industry Europe, Rosenberger Optical Solutions, and SWEETA, each providing specialized optical connectors, splicing equipment, and installation services for data centers, telecommunications, and industrial networks .

Fiber Optic Cable Manufacturers

The leading fiber optic cable manufacturers in 2026 are ranked based on production capacity, technological innovation, quality compliance, and supply chain agility:

- Prysmian Group – Italy-based global leader in fiber optic and energy solutions, with extensive submarine and terrestrial network projects .
  - Corning Inc. – US-based pioneer in low-loss optical fibers, holding a 10.4% global market share and recognized for high-performance data center and long-haul solutions .
  - Fujikura Ltd. – Japan-based manufacturer with expertise in telecommunications and automotive fiber optic solutions .
  - Sumitomo Electric – Offers fiber optic cables, electronic components, and advanced materials for global 5G infrastructure .
  - OFS Optics (Furukawa Electric subsidiary) – Focuses on cutting-edge fiber technologies for telecom, medical imaging, and defense applications .
  - TS Cables – Provides reliable fiber optic solutions for both small-scale and large-scale network installations . Other notable companies include Superior Essex, AFL, Finisar (II-VI/Coherent), and Remeo Wire & Cable, recognized for high-quality fiber optic products, compliance with BEAD requirements, and innovative solutions for data centers and enterprise networks .
- Steel Strand Manufacturers

The provided web results do not include a ranking for steel strand manufacturers. For comprehensive market research, it is recommended to consult industry-specific sources such as global steel associations, construction material reports, or specialized supplier directories to identify leading steel strand producers.

### Summary

For 2026, Bel, JT, INC., and Fibertronics lead the optical connector market, while Prysmian, Corning, and Fujikura dominate the fiber optic cable sector. These companies are recognized for their technological innovation, global reach, and high-quality products, making them key players for procurement and infrastructure projects. Steel strand manufacturer rankings require additional industry-specific research.
