

Splitter Activation Fee

Overview

Scan any receipt, split with AI precision, and settle up instantly—completely free. Our AI reads every line item with 99%+ accuracy, even handwritten receipts. Core functionality stays free forever—no hidden fees. Splitser is an app and website for friends, roommates, couples, families and other groups that allows group spending to be tracked and settled. Activation fee was supposed to be broken up into 4 payments (4 months) but now they're charging the whole amount up front?

: ATT Get an ad-free experience with special benefits, and directly support Reddit. • If you're out of contract and meet all of the other eligibility requirements, you can. GoSplit makes it easy to manage your subscriptions and secures every transaction. Share your subscriptions on GoSplit! Save more on subscriptions?

Easy to join! Enjoy more subscriptions offered by other users and split the costs together. Business Email submissions will be answered within 1 or 2 business days.
