

UK Mesh Cable Tray Manufacturer Price Quote

Overview

We are a manufacturer of customized wire mesh that meets your exact specifications and requirements.

Key Takeaways

VALDINOX, Shilden, and ICS Supplies are leading UK suppliers of wire mesh cable trays, offering customizable solutions and the ability to request price quotes directly. Key UK Suppliers

VALDINOX specializes in wire mesh cable trays with high production capacity and innovative EASYCONNECT® systems that reduce installation time and enhance safety. They offer custom-made solutions and can produce over 75,000 meters of cable trays per week, ensuring fast delivery for large projects. VALDINOX trays are designed for durability, ventilation, and compliance with international standards, making them suitable for industrial and commercial installations (Valdinox). Shilden provides a wide range of welded steel wire mesh cable trays, including sizes 38, 58, 108, 158, and 208 mm. Their trays are corrosion-resistant, lightweight, and designed for easy installation and maintenance. Shilden focuses on industrial, commercial, and data center applications, offering custom solutions to meet specific project requirements (Shilden). ICS Supplies offers a full range of steel cable trays and baskets, including light, medium, and heavy-duty options. They provide all necessary accessories such as bends, risers, reducers, and covers. ICS Supplies allows customers to request product prices and technical datasheets, with UK delivery available for all cable tray sizes (ICS Supplies).

How to Obtain a Price Quote

- Identify your requirements: Determine the tray type (wire mesh, ladder, basket), size, material (stainless steel, electrogalvanized, hot-dip galvanized), and any accessories needed.
- Contact suppliers directly: Use the supplier websites to submit an enquiry or request a quote. For example, VALDINOX and ICS Supplies provide online forms for price requests.
- Provide project details: Include quantities, delivery location, and any customization requirements to receive an accurate quote.
- Compare options: Evaluate pricing, lead times, and material specifications to select the best supplier for your project. By contacting these suppliers, you can obtain competitive pricing and tailored solutions for your mesh cable tray needs in the UK.
